

MKP Chicago and Women In Circle

Present

The WOW and WILD

Awards Banquet

This year, for the first time, The Way of the Warrior (WOW) awards banquet presented by MKP Chicago will be held in conjunction with the first annual Women in Leadership and Development (WILD) awards banquet presented by Women In Circle (the local Woman Within organization).

This joint awards banquet provides us with an opportunity to honor and celebrate men and women for their work both inside and outside of our respective communities. Award recipients are selected annually from nominations in various categories.

For MKP Chicago, the nominations are considered by our Elder Council. The Elders then select the award recipients. The 2006 award recipients were determined and announced last fall. We are holding the banquet in honor of these men:

- Seven Generations: Jeff Robins
- Servant Leader: Steve Jaffe and George Rounds
- Spirit Warrior: Kenny Ruiz (nom. by Max Freund)
- Mission of Service: Harry Steckman

For WIC, the WILD awards and recipients are still under consideration and will be announced in the near future.
