

# AGENTS TO ALLIES

## A 1 ½ Day Advanced Workshop on Multiculturalism

September 28/29, 2007

Unity West Church  
4750 N Mayfair Road  
Wauwatosa, WI (Milwaukee)

"Agents to Allies" (A2A) is a 1-1/2 day multicultural workshop offered by the MKP Multicultural Council, as a follow-up to its "Isms and Issues" (I&I) introductory workshop.

Many people come away from the I&I with a much greater understanding of the multicultural differences among us and greater awareness of how the issues of "Isms" affects us on so many levels. That awareness has led many participants to have questions about how they can personally affect change in their world and what actions of support might be offered. In addition, some people have desired a more process oriented experience dealing with their Isms. And some have wanted to develop additional awareness as to what Multi-Culturalism is. If you are one of those people, then "Agents to Allies" is for you!

This workshop reviews the basic model taught in the I&I and then uses that model, along with many other tools, to show how we can begin to help heal the problems and issues of oppression on this planet by becoming empowered, healthy allies to people who are targets of oppression.

The workshop uses visualizations, journaling, small group work and large groups to help and support each participant to commit to some action in the world acting as an ally to a target group. You will take a look at opportunities to work in the world at the personal, interpersonal, institutional and cultural levels that are low risk, medium risk and high risk. YOU choose what you will do and how you will do it, with support and encouragement from the Presenter Team, as well as the entire Multicultural Council.

Often we have heard people say "become part of the solution". Well now you have the chance by becoming an Ally for change. We invite you strongly and lovingly to join us at the "Agents to Allies" workshop! The presenters will be Henry Thurman and Rick Broniec, both certified full leaders in MKPI and Dennis Nicely. All of these men are certified presenters with the MultiCultural Council of MKPI and have been instrumental in the formulation of this workshop.

The workshop will run on Friday evening from 6PM-10PM and Saturday from 8AM-6PM. Due to the sponsorship by the Wisconsin Elder Body, with additional funding given by the Wisconsin Mankind Project, **this workshop is being brought to you at a cost of \$75.00/participant. In all likelihood you will not see this pricing again.**

Space is limited to 30 participants and open to anyone who has already taken the I&I Workshop. Check your calendars and sign up soon to reserve your space(s).
