

Specifically Woman Within...

Greetings Ladies!

Since I went through my weekend in May of 2002, I have created a line of images specifically for you ladies that have been through Woman Within. Women love these cards to send to others and for encouragement or to introduce another woman to Woman Within. I hope you benefit from them as much as I take pleasure in creating them for you!

Love and Blessings,

Donna Greene

These images are available in the form of about 5x7 note cards that are blank on the inside (priced below), 8x10 and 11x14 prints. Some are also available in magnets.
