

Chicago Area Open Circle

A call to our mothers, sisters, daughters, friends, co-workers, partners
and neighbors

Is there a woman in your life that you would like to introduce to our
community?

The Women in Circle ongoing open e-circle is opening our doors to uninitiated women for two of our upcoming meetings. This is an opportunity for women to experience how powerful it can be to sit in circle with women and to find out all that our community and the Woman Within Weekend has to offer.

These circles will function as our typical circle does, leaving time at the end for questions and discussion. Each woman is responsible for creating what she needs for safely.

There are absolutely no requirements for attendance other than the desire to experience a circle of women committed to work and connection. Please let either Emily or Melissa know if you plan to attend and how many women you intend to bring.
