

Please mark your calendars for our first annual:

ACOUSTIC GAME-NIGHT COMMUNITY POTLUCK DINNER

When: Saturday, December 6, 2008, from 6--10 p.m.

Where: Unity Christ Church; 33 N. Skinker Blvd. St. Louis, MO. 63105 (corner of Skinker and Forsyth)

What to bring:

1. Food to share with others in "potluck style". This can be a main dish, side dish, salad, desert, etc--whatever you'd like to prepare and share.

2. Acoustic instruments to play, solo, or with other musicians.

3. Board games of your choice, if you'd like to play them with others.

**4. Bring your own non-alcoholic drinks (please note the community will not be providing drinks for this event, to simplify, and reduce costs.

The community will provide plates, bowls, napkins and eating utensils for the meal.

Unity has a fully-functioning kitchen for our use.

Please come out for this holiday-time evening of fun and connection. All are welcome--feel free to invite friends and family. This is not a fund-raiser--there is no cover-charge. The StLW2W and StLMKP communities are sharing the rental cost of Unity's space.

Feel free to contact me with any questions.
