

WOMEN EMPOWERING WOMEN

From Potential to Purpose: A Passage into Authenticity

A dynamic new **TWO DAY WORKSHOP**, reformatted into the same number of hours as the three day model. Intensified teaching and processes, enhanced by the familiar spiritual aspects of the original WEW. Your next step on the Leadership Track of Woman Within.*

INSPIRE AND CHALLENGE YOURSELF TO....

- Move beyond The Wound and into Your Essence
 - Incorporate leadership skills into your life
 - Claim your authentic self by transforming your shadow
 - Form deeper connections with yourself and others
 - Be accountable for the gold you have reclaimed
 - Intensify and integrate the power of that gold

ENJOY AS YOU LEARN TO....

- Deepen your experience of working with women
 - Integrate accountability, boundaries and authenticity
 - Enrich relationships through Holistic Listening
 - Appreciate, trust and use your intuition
 - Explore innovative Shadow techniques
 - Practice creative Facilitation Skills
 - Incorporate ritual, ceremony and container building

ENROLL NOW! In the New 2 Day WEW:

**A requirement for Woman Within Facilitation, Team Leading and Nurturing*

Are we given the gift of Life simply to allow others to lead us through it? To fully claim our place as women, we are all called to leadership: in our own lives; in our family and career environments; and in our communities. Experience, through deeper connection with yourself and others, the power of who you really are. Harness and manage your personal power from the Golden side of yourself; rather than from the Dark Shadow side.
